Subject: Letter of Recommendation

To Whom It May Concern,

It is my pleasure to provide this letter of recommendation for Mr Ejenavi Believe Okotie, who successfully completed the Data Analysis Hands-On Training Program at Victoria Solutions from 9th March 2025 to 5th April 2025.

During this four-week intensive training, Mr Ejenavi Believe Okotie actively engaged in a structured learning program that offered real-world business analysis experience through practical projects and case studies. The program covered key areas such as:

- **Business Analysis Core Concepts and Stakeholder Management**
- **Requirement Elicitation, Documentation, and Design Strategies**
- **Data Analysis & Visualization using Excel, Power BI, and Tableau**
- **Strategic Business Analysis including SWOT Analysis and Market Entry Strategies**
- **Industry Best Practices & Case Studies based on multinational business scenarios**

Mr Ejenavi Believe Okotie demonstrated strong analytical skills, problem-solving abilities, and strategic thinking throughout the program. his teamwork, stakeholder communication, and data-driven decision-making were commendable. He effectively collaborated with peers, successfully completed all assigned projects, and actively participated in review sessions.
As a dedicated and hardworking individual, Mr Ejenavi Believe Okotie has shown great adaptability and a keen interest in business analysis. I am confident that he will be an asset to any organization he chooses to be a part of.
I highly recommend Mr Ejenavi Believe Okotie for any professional opportunities that align with his skills and career aspirations. If you require any further information, please do not hesitate to contact us.

Sincerely,

Lakshmi Haran
